

## Glasbeniki o nastopu na 52. jazz festivalu Ljubljana

"Modern, pre-historic jazz from a mysterious Scandinavian angle, with swedish birds fluttering and ghostly womanlike cries coming up from under the floor boards; cries of whisper; men in mental wheel-chairs tries to stand up, calling U out with horns and pikes - sing with us U lovely bastards!! Reach out from Ljubljana's apartments and from stiffening thoughts.!Play! Be! Say NO!!! Say YES! And NO again! The NEED is in us! Cut the the disinformation campagain, imposed by Pop culture! We are truly desperate for each other! And We dont need any Stars no more! JoIn us at the bridge! Meet up at the hall!"Martin Küchen, Angles

»Težki časi so, se treba je znajt. Ne le, da le brat je bratu brat prerezal vrat, zdaj že sosed je sosedu tat. Ne gre na belo, sivo ali črno in ne gre na bolje, če letiš čez polje, ker si kradel, da boš sit, ker nekdo drug na tvoj račun si polni rit. V duhu instant napredka in spremljajoče iluzije se prepleta novo s starim, vse je isto, kaj je tisto kar nas loči, kdo ni tak kot so ostali, res še nismo uma vsi prodali?« Robert Jukič

Dear friends,

it's with great pleasure that we will be traveling to Lubljana to present our music. Both myself and Maria João hope you will enjoy the sounds we bring you. Feel free to sing, dance or just sit back and enjoy.

See you soon, Mário Laginha and Maria João

»Že dolga leta sem redna in strastna obiskovalka jazz festivala. Tokrat bo malo drugače, saj tudi sama nastopam s super zasedbo odličnih glasbenikov iz Avstrije, Nemčije, Amerike in Hrvaške. Jupii! Komaj čakam, da zapojem! Pridite!« Mia
